

PATH

FOUNDATION ANNUAL REPORT 2021

Dear Friends,

As we look back on the last twelve months two words come to mind – Thank You!

Amid trying circumstances, the last year has reminded us of the importance of trails and the value our community places in them. Despite the challenges imposed by social distancing and stay-at-home orders, PATH trails allowed thousands of Georgians to connect – with ourselves, with our neighbors, and with nature.

Not only did people use PATH trails, but they also generously supported our mission. PATH's Annual Fund was supported by 635 donors allowing us to raise more than any other year. We also reached our MILE 300 capital campaign goal by raising \$18.5 million in private philanthropy, every dollar of which will be matched with more than four dollars of state, local, and project-specific funding to construct 22 miles of multi-use trails. Thanks to these investments, PATH's trail network now extends more than 300 miles!

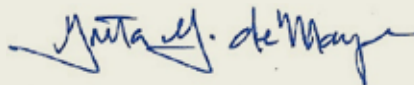

We are especially honored to reach these accomplishments in 2021, which marks PATH's 30th anniversary. Since 1991, we have been working towards a vision of a more trail connected Georgia. PATH is more committed to this cause than ever before and grateful for the donors and partners who work alongside us to make trails possible for all to enjoy.

Thank you for your continued support. Our neighborhoods, cities, and state are better because of you.

Gratefully,

Charles Shufeldt
Board Chair

Greta deMayo
Executive Director
