**INDEPENDENT AUDITOR'S REPORT**

To the Board of Directors of  
PATH Foundation, Inc.:

**Report on the Financial Statements**

We have audited the accompanying financial statements of PATH Foundation, Inc. (the "Organization"), a nonprofit organization, which comprise the statement of financial position as of March 31, 2014, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**INDEPENDENT AUDITOR'S REPORT**  
(Continued)

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of PATH Foundation, Inc. as of March 31, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

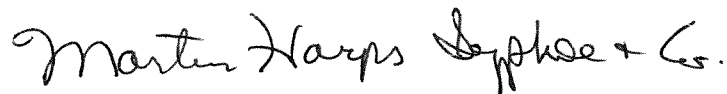

**Other Matters**

*Other information*

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, is presented for purposes of additional analysis and is not a required part of the financial statements. The schedule of state awards expended, as required by the state of Georgia, on page 23 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

**Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated September 30, 2014, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

**PATH FOUNDATION, INC.**

**NOTES TO THE FINANCIAL STATEMENTS**

**MARCH 31, 2014**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER MATTERS**

**A. Organization**

PATH Foundation, Inc. (the "Organization") was formed in September 1991 for the purpose of developing a regional greenway trail system for use by all citizens, providing them with transportation and recreational opportunities as well as increasing the quality and enjoyment of their daily lives.

The Organization has developed trail master plans for the City of Atlanta and many adjacent jurisdictions which guide development of greenway trail development in the metro area. The Organization has entered into public-private partnerships with the state of Georgia and most metro governments to advance trail planning, design, and construction. During the past twenty-three years, the Organization has developed over 100 miles of greenway trails in metro Atlanta.

Beginning in 1998, the organization expanded outside of metro Atlanta and partnered with the state of Georgia to build the Silver Comet Trail in West Georgia. In addition the organization has built greenway trails using the public-private partnership model in Beaufort, South Carolina, the City of Carrollton, Georgia, and along the coast in Glynn and Camden Counties. Including these trails, the Organization has built over 200 miles of greenway trails.

The Organization continues to extend the Stone Mountain Trail, the South River Trail, the Olde Town Conyers Trail and the Southtowne Trail in metro Atlanta. Beginning in 2010, the Organization began constructing components of the Atlanta BeltLine.

**B. Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting whereby revenues are recognized when earned and expenses are recorded when incurred. Funds received prior to incurring related expenditures are recorded as temporarily restricted net assets.

**C. Basis of Presentation**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles. Net assets, revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Unrestricted net assets – Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets – Net assets that are available for use, but expendable only for those purposes specified by the grantor.

Permanently restricted net assets – Net assets subject to donor-imposed stipulations that they be maintained permanently by the Organization. There were no permanently restricted net assets at March 31, 2014.

**PATH FOUNDATION, INC.**

**NOTES TO THE FINANCIAL STATEMENTS**

**MARCH 31, 2014**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER MATTERS (Continued)**

**D. Cash and Cash Equivalents**

The Organization considers all highly liquid investments with an initial maturity of three months or less to be "cash equivalents."

**E. Pledges Receivable**

Pledges receivable are amounts due based on unconditional promises to give made by individuals and entities and are unsecured. Pledges receivable are reported at fair value in the period the promise is made and subsequently carried at their estimated collectible amounts. Pledges receivable are evaluated for collectability based on past collection history with donors. Provisions for losses on pledges receivable are determined on the basis of loss experience, known and inherent risk in the pledge balances, and current economic conditions.

**F. Investments**

Marketable equity and debt securities are carried at fair market value. When marketable securities are bought or sold, the transaction is recorded as of the trade date of the transaction.

**G. Property and Equipment**

It is the Organization's policy to capitalize property and equipment with an original cost or value when donated of over \$1,000. Depreciation is computed on the straight-line method for all capitalized assets over the estimated useful service life of the various classes of property and equipment. Furniture and equipment are depreciated over useful lives of three years and automobiles over five years. Upon retirement or disposal of property and equipment, the costs and related accumulated depreciation amounts are eliminated, and any gain or loss is included in the Statement of Activities.

**H. Donated Services**

No amounts have been reflected in the financial statements for donated services. However, individuals volunteer their time to assist the Organization with its fundraising campaign, trail planning and organizational activities.

**I. Donated Assets and Facilities**

Facilities and other assets were donated to the Organization by a local business. The value of the donated assets or the facility has not been reflected in the financial statements for the year ended March 31, 2014.

**J. Management Estimates**

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**PATH FOUNDATION, INC.**

**NOTES TO THE FINANCIAL STATEMENTS**

**MARCH 31, 2014**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER MATTERS (Continued)**

**K. Expense Allocations**

The costs of providing various programs and other activities have been summarized on a functional basis in the Statement of Activities and in the Statement of Functional Expenses. Accordingly, certain costs were allocated among the programs and supporting services benefited. Construction management, trail planning and trail maintenance expenses are included in program expenses. The external costs of trail construction have been capitalized as costs incurred in connection with the construction of the paths and thus are included in the Statement of Financial Position as Construction-In-Progress.

**L. Memberships**

Membership fees are recognized over the term of membership, which is one year. Individual, family, and corporate memberships are available. Members receive information about trail project, construction updates, Organization events, and other trail related information through the quarterly newsletter.

**M. Income Tax Status**

The Organization has qualified as a tax-exempt organization under Section 501(c)(3) of the U.S. Internal Revenue Code. Under this section, the Organization is not subject to federal or state income taxes, and accordingly, no provision or accrual for income taxes has been reflected in the accompanying financial statements.

**N. Compensated Absences**

Employees of the Organization are entitled to paid vacations, sick days and other time off depending on job classification, length of service and other factors. The information is not available to estimate the amount of compensation for future absences and, accordingly, no liability has been recorded in the accompanying financial statements. The Organization's policy is to recognize the costs of compensated absences when paid to employees.

**2. CONCENTRATIONS OF CREDIT RISK**

- a) The Organization maintains cash deposits in a bank deposit account which at times may exceed FDIC limits. The amount in excess of FDIC insured limits at March 31, 2014 approximated \$3,819,000.
- b) The Organization depends heavily on contributions and grants for its support and revenue. The ability of certain of the Organization's contributors and grantors to continue giving amounts comparable with prior years may be dependent upon current and future overall economic conditions. While the Board of Directors believes the Organization has the resources to continue its programs, its ability to do so and the extent to which it continues may be dependent on the above factors.

**PATH FOUNDATION, INC.**

**NOTES TO THE FINANCIAL STATEMENTS**

**MARCH 31, 2014**

**3. PLEDGES RECEIVABLE**

Unconditional pledges receivable that are expected to be collected within one year are recorded at net realizable value. Unconditional pledges receivable that are expected to be collected in future years are recorded at fair value, which is measured as the present value of their expected future cash flows. Unconditional pledges receivable at March 31, 2014, are as follows:

Due within one year	\$1,802,000
Due in one to five years	1,081,000
Subtotal	<u>2,883,000</u>
Less: unamortized discount	(17,958)
Total pledges receivable	<u>\$2,865,042</u>

Contributions to be received after one year are recorded at the present value of estimated future cash flows using discount rates ranging between .23% and .76%. Amortization of the discount is recorded as additional contribution revenue.

No provision has been made for uncollectible accounts, as management considers all accounts to be currently collectible. Uncollectible accounts are expensed on an individual basis when they are deemed to no longer be collectible.

**4. INVESTMENTS**

The Organization maintains a long-term maintenance investment account, which is managed by SunTrust Bank. Investments are reported at fair market value. Cost, market value and unrealized appreciation/(depreciation) at March 31, 2014 are summarized as follows:

	<u>Cost</u>	<u>Fair Market Value</u>	<u>Unrealized Appreciation (Depreciation)</u>

**14. COMMITMENTS AND CONTINGENCIES**

The Organization has received grants, which require the fulfillment of certain conditions as set forth in the instrument of the grant. The failure to fulfill the conditions could result in the return of the funds to the grantors. Although the return of funds is possibility, the Board of Directors deems the contingency unlikely, since upon accepting the grants, the Organization has agreed to comply with the provisions thereof.

**15. FAIR VALUE OF FINANCIAL INSTRUMENTS**

In accordance with Financial Accounting Standards Codification (FASC) 820, *Fair Value Measurement and Disclosures*, FASC 820-10 defines fair value, establishes a framework for the measurement of fair value, and enhances disclosures about fair value measurements. The carrying amount of the Organization's cash approximates fair value due to the short maturity of this instrument. The fair values of investments in securities traded on national securities exchanges are valued at the closing price on the last business day of the fiscal year; securities traded on the over-the-counter market are valued at the last reported bid price. Pledges receivable are discounted at an interest rate, which approximates their fair value. Grants receivable are recorded at the net present value of the amounts expected to be collected. For other assets and liabilities, not otherwise carried at fair value, fair value approximates carrying value due to the current nature of such assets and liabilities.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors of  
PATH Foundation, Inc.:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of PATH Foundation, Inc. (the "Organization"), a nonprofit organization, which comprise the statement of financial position as of March 31, 2014, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 30, 2014.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

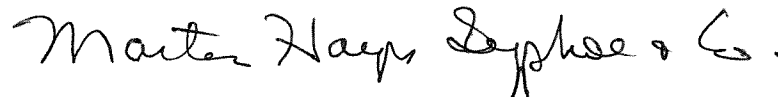

(Continued)

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL  
CONTROL OVER COMPLIANCE REQUIRED BY OMB CIRCULAR A-133**

To the Board of Directors of  
PATH Foundation, Inc.:

**Report on Compliance for Each Major Federal Program**

We have audited PATH Foundation, Inc.'s (the "Organization") compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended March 31, 2014. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

**Management's Responsibility**

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

**Auditor's Responsibility**

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

**Opinion on Each Major Federal Program**

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended March 31, 2014.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY OMB CIRCULAR A-133**

(Continued)

**Report on Internal Control Over Compliance**

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.
